PIETRA ANTICA

PIETRA ANTICA

Uno scenario in cui confluiscano la linearità degli arredi e lo charme antico di una pietra, volutamente materica alla vista e al tatto, racconta di un equilibrio compositivo spontaneo e ricercato.

The simplicity of furnishings combines with the antique charm of a stone intentionally tactile in look and texture, achieving a spontaneous, sophisticated compositional balance.

Une scénographie accordant la linéarité du mobilier avec le charme antique d'une pierre, expressément avec effet matière à la vue et au toucher, nous parle d'un équilibre de composition spontané et sophistiqué.

Ein linearer Einrichtungsstil und der antike Charme eines Gesteins mit einer ausgeprägt materialbetonten Optik und Haptik finden in spontanen, erlesenen Kompositionen eine ideale Balance.
